香 港 資 優 教 育 學 苑
The Hong Kong Academy for Gifted Education

Green Pioneers (Part 2) (SCIS1332A)

Introduction	The global science community has reached the consensus that climate change will pose serious threats to our future. Public education is critical to respond global climate change. Students of this course will learn about the background of science museum and experience the operations of the Jockey Club Museum of Climate Change, the Chinese University of Hong Kong (CUHK). They will perform as half-day museum curators and handle the daily work as well as emergency situations. Students will also design and organize a museum environmental workshop to promote environmental awareness to the general public. (This programme is same as Introductory Course in Climate Change: Green Pioneers (Part 2) (SCIS1332) in September 2016.))
Programme Type / Level	Introductory Course in Climate Change (Token-required)
Instructor(s)	Dr Paulina Wong of Jockey Club Museum of Climate Change and other instructors
Target Participants	➢ S1 – S3 HKAGE student members ➢ Class size: 40
Medium of Instruction	Cantonese (Supplemented by English) with English handouts
Certificate	**Certificate** will be awarded to participants who have: ❖ Attending **ALL sessions** ❖ Completed all the assignments with **satisfactory performance**
Intended Learning Outcomes	Upon completion of the programme, participants should be able to: 1. Develop an in-depth understanding of the operations of a science museum; 2. Enhance the communication, collaboration and organisation skills by designing and operating a museum workshop that promotes environmental sustainability; 3. Enhance problem-solving skills in tackling real-life challenges in the operations of a science museum; and 4. Reinforce your awareness of environmental conservation through the practicum on museum workshops.
Screening	Please answer the screening question in the online application form. *The screening question is designed to help the applicant understands the course level and the course content. The question must be answered by the student applicant and it can only be attempted once. The answer cannot be changed once the application is submitted. Selection is based on students' performance in answering the question. Only students who can demonstrate motivation and the basic knowledge of Climate Change in the screening question can be enrolled in the programme.

Application Deadline	**20 Feb 2017**	Application Result Release Date	**22 Feb 2017**

Student members may withdraw from the programme on or before the deadline. Otherwise, the token will be deducted.

Schedule

Session	Date	Time	Venue
1	4 Mar	9:30 a.m. – 12:30 p.m.	Jockey Club Museum of Climate Change
