Brief introduction to Speaker:

Dr Iris Yuen-Fan Chau has been the fieldwork supervisor of Master of Social Sciences (Counseling) at the University of Hong Kong for many years. She received her PhD from the University of North Texas, specializing in counseling and she had been the supervisor of the Play Therapy Centre of the University of North Texas. She taught in the Hardin Simmons University and became a registered psychologist in British Columbia.

In 1997, Dr Chau received the Research Award of Association for Play Therapy. Dr Chau has had many years of experience in play therapy and helping children, adolescents and adults with emotional and psychological problems. In Hong Kong, Dr Chau has been conducting a lot of professional training for teachers, social workers, counselors and medical workers and has vast experience in providing parent seminars. She has been interviewed numerous times by the media and has also authored many books.
