-

Brief introduction to Speaker:

Dr. Joyce Van Tassel-Baska is Professor Emerita at The College of William and Mary in Virginia, where she had served as Executive Director of the Centre for Gifted Education and developed a graduate programme and a research and development centre in gifted education. Formerly, she initiated and directed the Centre for Talent Development at Northwestern University.

She is past president of the Association for the Gifted of the Council for Exceptional Children, the Northwestern University Chapter of Phi Delta Kappa, and the National Association for Gifted Children. She has worked as a gifted education consultant in all 50 states and for key national groups, including the U.S. Department of Education, National Association of Secondary School Principals, and American Association of School Administrators. She has consulted internationally in Australia, New Zealand, Hungary, Jordan, Singapore, South Korea, England, Germany, the Netherlands, and the United Arab Emirates.

Dr. Van Tassel-Baska's research interests are on the talent development process and effective curricular interventions with the gifted. She has published widely including 22 books and over 500 refereed journal articles, book chapters, and scholarly reports. She also served as the editor of *Gifted and Talented International*, a publication of the World Council on Gifted and Talented from 1998 to 2005.

Dr. Van Tassel-Baska has received numerous awards including the International Mensa Research Award, 2001 and 1995, and President's Award for exceptional work and service on *Gifted and Talented International*, the research journal of the World Council on Gifted & Talented Children, 2005. She was selected as a Fulbright Scholar to New Zealand in 2000 and a visiting scholar to Cambridge University in England in 1993.

In March 2009, Joyce was invited by the HKAGE to deliver a mass lecture and a thematic course for local school leaders and teachers. These professional development courses were well received by the participants.
