HKAGE Meets Teachers and Students in L&T Expo

The Hong Kong Academy for Gifted Education (HKAGE) has strived to promote gifted education to educators and students by joining various kinds of educational events. Like last year, HKAGE participated in the 3-day Learning and Teaching Expo 2019 (Expo) from 11 December to 13 December in Hong Kong Conventional and Exhibition Centre.

The HKAGE set up a promotional booth in the Expo which provided a great opportunity for the stakeholders in education including teachers, students and parents to have a better understanding about us and the merits of gifted education. In addition, our colleague Ms Christie SO, Student Development Officer, attended a talk to share her experience in providing affective support to gifted students in student-initiated programme.
