Gifted Angels - Service Learning Project
A Midsummer Night's Dream (APPS2531A)

Introduction	Can you still remember your school life when you were just promoted to S1? Secondary and primary school life are entirely different. It is common for all of us to feel exhausted, or to find it hard to adapt. In light of it, we wish to provide the service targets with emotional, social and academic support in order to get them well prepared for their future secondary school life. Meanwhile, this activity can also enhance gifted angels' communication skills, creativity and leadership. If you want to enrich your learning experience, please take this valuable opportunity and join us immediately!
Programme Type / Level	Service Learning Project (Token-required)
Target Participants	➢ S1 to S6 HKAGE student members ➢ Class size: 30 ➢ 10 student members in Supporting Group for transportation, material preparation and communication ➢ 20 student members in Programme Designing Group for activity designing and experimenting
Medium of Instruction	Cantonese
Certificate	**Certificate** will be awarded to participants who have: ❖ Attended all meetings and training ❖ Attended at least one of the two service days ❖ Satisfactory performance during the attended sessions
Intended Learning Outcomes	Upon completion of the programme, participants should be able to: 1. demonstrate improved communication and cooperation skills 2. develop own leadership style 3. stimulate independent thinking and creativity through designing activities
Screening	**Please answer the screening questions in the online application form.** ＊The screening questions are designed to help the applicant understand the course level and the course content. The questions must be answered by the student applicant and it can only be attempted once. The answer cannot be changed once the application is submitted. Selection is based on students' performance in answering the questions.
Application Deadline	**21 July 2016**
Application Result Release Date	**29 July 2016**

Student members may withdraw from the programme on or before the deadline. Otherwise, the token will be deducted.
