

# Gifted Angels-Service Learning Project: Never Divergence • Ever Convergence

(APPS2531)

Having extra lessons after school, you may feel annoying. Facing unlimited competitions, you may feel nervous. Though Hong Kong is a highly-developed city, some of us are still in a dreadful predicament, in which their education is limited and entertainments are denied. Nevertheless, many of the impoverished are having unexpected potentials. Do you rejoice at helping them? Are you willing to share with your new friends?

ABOUT  
GREENMECH

## COME AND JOIN US TO BE A VOLUNTEER!

An unprecedentedly meaningful, entertaining, educational and sociable volunteering programme!

Intended Learning Outcomes

- Communicate and co-operate effectively with the disadvantaged children
- Understand “to give is better than to receive”, serve the community
- Understand the problem of poverty in Hong Kong to strengthen the basis of Liberal Studies

- Learn about Green Mech, acquire extra scientific knowledge, booms your creativity and join the GreenMech competition!

## Project Objectives

- Allow the disadvantaged children to have the opportunities to acquire extra scientific knowledge
- Enhance the communication skills and creativity of the disadvantaged children
- Arouse public awareness to the problem of children poverty
