Introduction to Speaker:

Mr NG Kai Yin Nelson
Programme Development Officer
Affective Education Division, HKAGE

Mr Nelson NG is a Master student of the University of Hong Kong (HKU), majoring in Gifted Education and Talent Development. He graduated with a Bachelor of Arts degree from the University of New South Wales, Australia, and acquired his Postgraduate Diploma in Education at University of Hong Kong. He currently serves as a Programme Development Officer at the Hong Kong Academy for Gifted Education (HKAGE) and is responsible for various affective education programmes. He had delivered a wide range of activities such as seminars, workshops and sharing sessions for gifted students, parents, teachers and education practitioners. Mr NG worked for the Curriculum Development Institute of Education Bureau for many years before joining HKAGE, mainly organising various quality Life-wide Learning activities as well as professional development programmes for teachers and students. With an understanding of the personal growth and social development of the gifted children and youth, he has solid experiences in designing and developing various affective education and career planning programmes.

Ms Chan Man Yee Kimmy

Programme Development Officer

Affective Education Division, HKAGE

Ms Chan Man Yee Kimmy graduated from Oxford Brookes University with a Bachelor of International Business Management and earned a Postgraduate Diploma in Education from the Education University of Hong Kong. She used to be a secondary school teacher and supported teachers in the special education and counselling group. Ms Chan has several years of experience in dealing with Special Educational Needs students, which also included twice-exceptional gifted students. Ms Chan has also served as a special education assistant at the Hong Kong Institute of Vocational Education, providing support for tertiary level students in learning, counselling and further studies. She is currently the Programme Development Officer at the Hong Kong Academy for Gifted Education. She is working at the Division of Affective Education, providing courses for students, parents and teachers, as well as coordinating parent seminars and workshops.
