Nurturing Giftedness at Young Age

Speaker: Mr Wong Chung Po, Head of Academic Programme Development Division

Nurturing the giftedness of our kids is not a sprint but a marathon. We don't need to win at the start but we need to sustain throughout the race. In order to do so, good preparation for the marathon is crucial. In this session, Mr Wong shall share with participants the crucial things parents should do during the early stage of child development.

Date: 3 April, 2019 (Wednesday), 7:30PM-9:30PM

Venue: Rm 303, HKAGE
