

Road to the Olympiads

HKAGE students participate in the prestigious International Olympiads in mathematics or sciences every year. Their road to the Olympiads is no easy task. In this session, previous Olympiad participants (and their parents) will share how they faced the challenges, handled the pressure with family support and struck a balance between their personal life and the intensive trainings.

Date: 4 April, 2019 (Thursday), 7:30PM-9:30PM

Venue: Rm 303, HKAGE
