Parent Seminar

The Voice of a Principal: How to Assist Gifted Students to Unleash Their Potential (JC3M-P031)

Date and Time	Target Group
14 August 2020 (Friday) 7:00p.m.-9:00p.m. 5:30p.m. – 7:30p.m. (2 hours)	Parents of gifted children (priority will be given to parents of HKAGE student members)

*The event date may be postponed subject to development of the novel coronavirus infection and EDB guidelines. Please pay close attention to email notifications and announcements on the HKAGE website.

Venue	: Room 303, The Hong Kong Academy for Gifted Education (HKAGE) Sha Kok Estate, Shatin, New Territories, Hong Kong (Located between Buddhist Kok Kwong Secondary School and Yue Shing Court) Online platform
Speaker	: Mr Wong Chi Wah, Daniel Principal of E.L.C.H.K. Hung Hom Lutheran Primary School Member of the Affective Education Committee of the HKAGE Parents of HKAGE student members
Content	: Why are some gifted students with high abilities but not performing as expected? How should schools and parents do to unleash gifted students'/children's potential? This seminar aims to investigate the phenomenon of gifted underachievers from a very experienced school principal. School-based support services to gifted students will be introduced to enable parents to know how parents to cooperate with the school to promote the development and growth of gifted students, two parents of P4-6 HKAGE student members are invited to share their parenting skills on promoting children's learning motivation to unleash their potential.

Introduction to Speaker:

Mr Wong Chi Wah, Daniel

The current principal of E.L.C.H.K. Hung Hom Lutheran Primary School and member of the Affective Education Committee of the HKAGE.

Mr Wong has been serving as a teacher and principal of primary schools for 20 years, through which he has cumulated plenty of successful experience in facilitating learning and teaching development, cultivating school ethos and student support systems, and enhancing the students' performance in various aspects. In addition, Mr Wong had participated in the Teacher Secondment Exercise of EDB in 2011/12 serving in the Quality Assurance Division. Through the execution of Focus Inspection and External School Review in different schools, he was familiarised with the school development and accountability framework, the use of a variety of assessment tools, and the effective implementation of self-evaluation cycle, to promote continuous school improvement and sustainable development.

Meanwhile, Mr Wong has been eager to promote the development of the school-based curriculum, STEM education and gifted education. In 2016, he served as the chairman of the Hong Kong Primary School Mathematics Elite Trial Competition to organise territory-wide mathematics activities.
