

English Idioms and Word Play (ELLO1262)

Introduction

It's a piece of cake!
As you sow, so shall you reap.
How much you know about idiom?
The English language is full of idioms. Native speakers of English use idioms all the time. This means that communication with native speakers of English can be quite a confusing experience. In other words, selectly and actively learning idioms will be useful to you. Through three different online modules, you will learn what idiom is, the stories behind idioms and its usage in daily life.

Module 1: What is an Idiom

Introduce you to idioms as a concept, clearly define idioms in relation to literary devices

Module 2: Idioms and Culture

Help you look at idioms as cultural artifacts with stories behind them, and guide you to understand cultural shifts and international history through idioms.

Module 3: Idioms in Daily Life

Expose you to idioms in daily use e.g. in conversation, TV/film, art, etc.

Equipped with these skills, you will be able to apply idioms in your English usage!

Programme Type / Level

Introductory Online Learning Programme ([Non Token-required](#))

Writer

Mr. Lin Chi Wo, Joseph

Target Participants

➤ P4 to P6 HKAGE student members

* Students who fail the online programme can enrol in it again in the next quarter.
(Quarter ONE : 2 April – 30 June; Quarter TWO: 2 July – 30 Sep;
