

Fintech and the Future of Financial Services

(TECS1761)

<p>Introduction</p>	<p>By the rapid development of AI and computer automation technologies, the so-called 4th industrial revolution has begun. Besides blue-collar industries, it will also have a huge impact on white-collar careers (e.g. accounting, financing, market research analysis...etc.) Therefore, "Fintech" (amalgam of the terms "finance" and "technology") was created and has already become an essential industry and one of the fastest-growing as well.</p> <p>This course gives students an overview of FinTech and underlying economics basics through learning activities like presentation and case studies in Fintech industry, etc., and thus spark their interest in related careers and follow a learning path in FinTech.</p>
<p>Programme Type / Level</p>	<p>Introductory Course to Fintech (Token-required)</p>
<p>Instructor(s)</p>	<p>Mr Lin Chi Wo, Joseph (MSc in Digital Education at the University of Edinburgh)</p>

<p>Intended Learning Outcomes</p>	<p> Upon completion of the programme, participants should be able to:</p> <ol style="list-style-type: none"> Explain the basic knowledge of financial industries and the changing trend because of AI and automatic computer technology; Describe the key elements of Fintech, such as Blockchain, AI, Cryptocurrency; Discuss Hong Kong's advantage in developing FinTech and the future trend in the finance industry in order to develop the skills required by this career; Develop the proper view of money, care of computer ethics, importance of honesty.
<p>Application Procedure</p>	<p> <u>This programme is Programmes with No Screening</u></p> <p>There are no screening questions, written test or other screening methods for this type of programmes.</p> <ul style="list-style-type: none"> Student members can select up to 5 programmes from a list of selection. Applicants have to state the priority when submitting the application. (1st priority, 2nd priority, 3rd priority, etc). 1 token is required for each programme (For programme list, please refer to the issue 16 of Gifted Gateway (click here)); Application can only be submitted once. Once it is submitted, the priority and the programme selection cannot be changed; If a student member removes a programme from the application before the application deadline by withdrawal, the choice priority will remain unchanged. (For example: A student has selected three programmes and removed the programme with the 1st priority from the application. The choices of 2nd and 3rd priority will remain unchanged with no promotion in priority.); We will select the students based on the student's choice of priorities and a randomly generated selection by the computer system. If there is time clash between the applied programme and other programmes with offer, HKAGE will consider if the application will be accepted; Priority will be given to student members who have not completed the applied programmes; Student members should avoid applying programmes with time clash; The decision of HKAGE on the result of selection should be final.

Application Deadline **28 Oct 2019, 12:00 n.n.**

Application Result
Release Date

1 Nov 2019
