

A Journey of a Dream Pursuer

(GSGW1013)

<p>Introduction</p>	<p>Mr Wu has been nominated to Fung Hon Chu Gifted Education Centre when he was still a secondary student. He was keen on Mathematics and Computer Science when he was young. He once was a teacher after his graduation from university and then became a researcher in Finland, where he collaborated with his friends for a startup. Now, he is working in financial industry as a quant in an investment advisory firm serving a billionaire family. Other than those fabulous experience in his career path, he is also interested in learning different languages. Other than Cantonese and English, Japanese, Swedish and Finnish are also something he is familiar with.</p> <p>In the workshop, Mr Wu will be sharing what one as a gifted student can do to prepare oneself in the future and improve our society. He will also briefly introduce some interesting topics that requires complex mathematics in the current industry he is now serving.</p>
