

STEM Club

(ALE/STM/1920)

Introduction

STEM Club is a dynamic community and platform for STEM (Science, Technology, Engineering, Mathematics) enthusiasts to exchange their knowledge among peers and engage themselves in different STEM activities. Students will have the opportunity to take up multiple roles such as designer and activity organiser other than ordinary participants.

STEM Club aims to provide a community-based learning platform for students to:

- share STEM interest and experiences
- exchange ideas, resources and views relating to STEM topics
- get inspired and explore inventive and innovative ideas of STEM.

Programme
Type

Recruitment of STEM Club ([Token required](#))
