Measures for the prevention of COVID-19

- All students coming into HKUST must wear face mask at all times, including during the practical classes. Spare face masks will be prepared in the classroom in case of need.
- All students will be registered as visitors to HKUST, they need to show HKID card at the gate for checking. According to HKUST policy, any students who have travelled outside of Hong Kong or had been in contact with a known or suspected case of COVID-19 need to report this to the HKUST Health and Safety Office. Please declare your travel history and sign on “Body Temperature Record Form”. Please inform HKAGE if these conditions apply to you in advance.
- Temperature checking will be performed before students and tutors are allowed to enter the laboratory at the start of each day. Students with a fever will not be allowed to take the class. Hand sanitizers will be provided for students’ use.
- Students who had been in contact with person(s) who are known or suspected cases of COVID-19 in the 28 days prior to each class must declare this to HKAGE.
- The lunch arrangement is planned as follows:

Complimentary lunch will be provided for student participants and tutor(s) at one of the HKUST canteens on campus. If social distancing measures are in force according the HKSAR government, the participants will be seated on separate tables or in an outdoor area in HKUST.

For students who do not wish to join the group lunch, they may also bring their own food or purchase food on campus, and eat by themselves at a canteen or a an outdoor area in HKUST. Food re-heating facilities are available at LG5 self-service corner in HKUST.
