The Voice of Gifted Learners: *Fast Forward and Slow Motion*

(ALE/SIE/1920/04)

Introduction

The Voice of Gifted Learners: Fast Forward and Slow Motion is a social gathering to encourage participants to:

- share and reflect their experiences, strategies and/ or queries with their peers concerning junior secondary life;
- interact with their peers in a fun, open and supportive atmosphere;
- learn from each other, respect and encompass the different views that different people have; and
- review their personal characteristics and extend their preventive measures in facing stressful situations in their learning and social life.

EXCHANGE · REFLECT · EMBRACE

The Voice of Gifted Learners is a series of student-initiated events organised by the Student Organising Team to encourage the dialogue between gifted students with their gifted peers, parents, teachers and the public in interactive activities and engaging discussions.
