

Hong Kong Gifted Apprentice Programme (HKGAP) 2020/2022

(S3GAP004M)

<p>Introduction</p>	<p>The Hong Kong Gifted Apprentice Programme (HKGAP) is a 2-year & unique mentorship programme of Hong Kong Academy for Gifted Education with generous supports from Masters who are leaders and experts from education, business, health, legal, political and other professional sectors.</p> <p>HKGAP provides students with an individualised and very privileged learning opportunity. One of the unique features of the programme is the engagement of an apprentice and a master on a student self-initiated project aiming at fulfilling individual aspirations and bringing a positive impact to the society. The life-affects-life apprenticeship inspires students to embrace challenges and unleash their potentials. Apprentices will also participate in monthly apprentice coaching facilitated by Advanced Learning Experiences Division (ALED) through peer learning and diverse forms and thematic activities.</p> <p><u>Highlight of some major activities of HKGAP</u></p> <div data-bbox="336 786 1497 949">  <p>Master-Apprentice (1-1) Contacts and Meetings</p> <ul style="list-style-type: none"> • meetings and activities arranged between Master and Apprentice • sharing expertise and diverse experiences, social and professional networking, role modelling </div> <div data-bbox="336 972 1497 1135">  <p>Expert Cluster</p> <ul style="list-style-type: none"> • interacting with different masters and learn from their expertise and experiences • diverse forms of activities such as talk, forum and outdoor activities </div> <div data-bbox="336 1158 1497 1321">  <p>Monthly Apprentice Coaching</p> <ul style="list-style-type: none"> • learning and growing with a peer support group intellectually and socially • participating in thematic discussion, training and other self-initiated activities </div> <div data-bbox="336 1344 1497 1507">  <p>HKGAP Annual Gathering</p> <ul style="list-style-type: none"> • showing gratitude to masters and sharing stories from the apprenticeship • reporting and presenting apprentices' learning and attainments • celebrating with school principals, teachers and parents as well </div>
