

## Teaching, As Easy As Counting One-two-three? (E2GSG028W)

**Introduction** Do you want to be a teacher? Do you think being a teacher is as easy as counting one-two-three? Do mathematics teachers know something other than those monster symbols? In this workshop, the speaker will share with you his views of the teacher's role and some stories happened to him. He will also investigate the characteristics of a good teacher.

The instructor, Mr Mau Yuk Lun, Methew is a lecturer at the department of Mathematics and Information Technology of the Education University of Hong Kong. He served as a Mathematics teacher in several secondary schools for more than 10 years. Presently, he is a lecturer of many professional development courses for in-service teachers in Hong Kong and Macau.
