

# 6<sup>th</sup> Cohort Student Organising Team

(A2SIA001H)

## Introduction

Have you ever participated in any of student-initiated activities organised by the Student Organising Team? Would you like to be one of them and contribute to the HKAGE community?

### Your chance is here now!

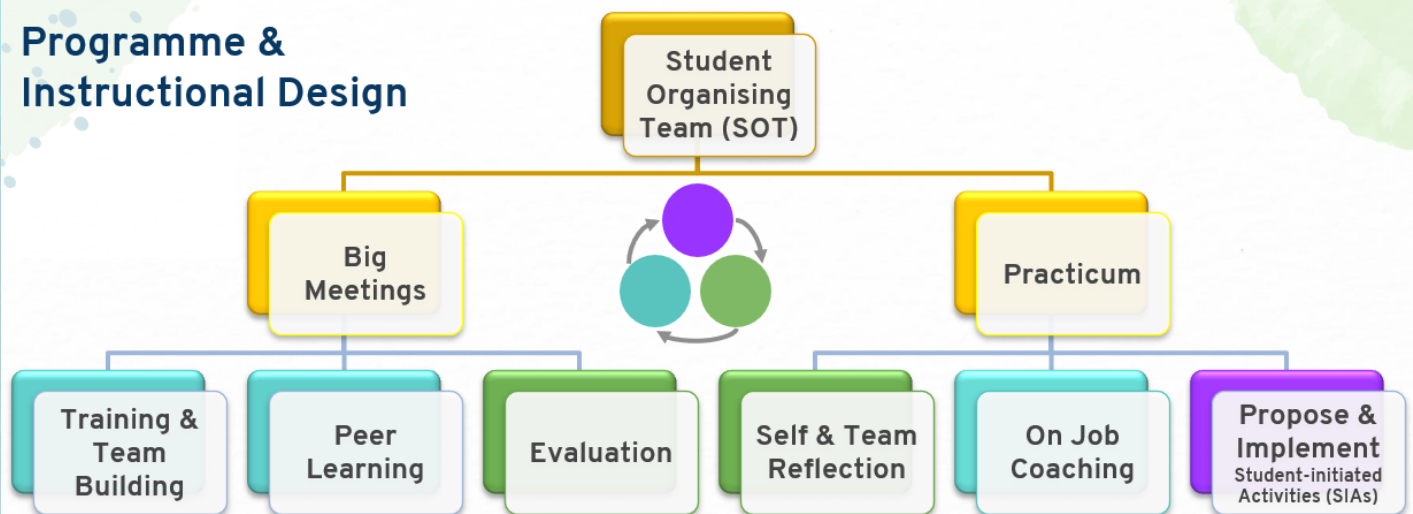

Student organisers (SOs) will initiate, design and organise different events and/or programmes for HKAGE student members (student-initiated activities, SIAs), in collaboration with their peers and under direct guidance from staff of HKAGE.

Here are some examples of the previous SIAs.

- Chat Club
- Student Forum
- Camp Creation
- The Voice of Gifted Learners

Student Organising Team (SOT) is a year-long on-campus service learning and leadership training programme. In light of the high demand of 21<sup>st</sup> Century skills, SOs should have a unique hands-on learning experience to enhance students' self-initiation, creativity, competence and leadership through event and programme management.
