

Enhancement Programme for Gifted Students in Physics (2021-2022)

APPLICATION FORM

(For Honourable Mention Awardees and non awardees of HKPhO 2021 ONLY)

TO: The Hong Kong Academy for Gifted Education
Sha Kok Estate, Shatin, New Territories, Hong Kong
(Fax no: 3940 0202)

Please complete this application form and submit to the HKAGE by email (hkpho@hkage.org.hk) **on or before 27 October 2021 (Wednesday)**.

Part I: Personal Information (filled in by student and parent / guardian)

I, _____ (*English Name*) _____ (*Chinese Name*) apply for the Enhancement Programme for Gifted Students in Physics (2021-2022) with the parent's / guardian's approval and pledge that I will make full commitment to complete the whole programme as required.

Contact number: _____

Email address (in CAPITAL letters): _____

HKAGE Student Member No. (if any): _____ **HKID No.** _____

School Name: _____ **Class Level:** S

Notes:

1. Student applicants have to obtain parent's approval and school recommendation in applying for the programme.
2. A few selected Honourable Mention awardees and HKPhO 2021 participants would be considered eligible to take part in the programme only if the eligible awardees decline their offers. A higher priority would be given to Honourable Mention awardees.
3. Acceptance to be enrolled into the programme is subject to final decision by the HKAGE.
4. **Only successful applicants will be notified by email by 1 November 2021.** No further notification will be made to the unsuccessful applicants.
5. The HKAGE and the university providing the training will do their best to ensure the safety of the student participants during the programme. Nevertheless, parents / guardians have the responsibility to decide whether the programme fits their children according to the situation of their children and the nature of the programme, and bear all the consequences.
6. For enquiries, please contact us at 3940 0502 or 3940 0504.

Enhancement Programme for Gifted Students in Physics (2021-2022)

Part II: Self-statement (filled in by student)

1. Trainees in this programme are outstanding physics students and the International Physics Olympiad Hong Kong Team selection is highly competitive. The training involves many topics that are beyond the normal secondary school physics syllabus. It is very demanding and may require hundreds of hours. Please explain why do you want to join the programme, and convince us that you are mentally prepared to take on the programme.

Enhancement Programme for Gifted Students in Physics (2021-2022)

Part III: Recommendation by teacher (filled in by Physics teacher)

1. How do you describe the learning ability of this student? (Please circle the best answer)
