KOL Start-up Essentials

Mr LAM Hei, Sunny
Fantastic Dream Limited
Director and Executive Producer

Application Deadline

11 May 2022

12:00 noon

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. handle cameras, lighting and audio equipment with professional knowledge;
2. co-create their own ideas and develop into visual outcome;
3. learn from the market and improve their work through market research;
4. explore the world of digital marketing with professional knowledge, so as to manage their own channels, pages and video playlists;
5. experience how to live out authenticity and dare to express themselves before camera and just be true to themselves, building positive momentum to chase their dream and goals.

◆ Introduction

Providing integrated media training and insights in professional market of production, students will acquire knowledge and practical techniques in applied production settings. These will include camera movements, lighting sets, audio capture and processing, editing and visual effects, acting and directing, script writing and project management and other relevant skills which will be deeply illustrated in the sessions. Apart from tangible ability, attitude and team spirit will be trained through on job training producing a short movie, students will be assigned into different aspects in production and cooperated to finish the preparation, filming, as well as post-production. Students are expected to be responsible, team oriented and be respectful for their professionals.
