

Visit to BME and HTI (TECT1501)

Introduction

The Secondary School Relations Section (SSRS) of PolyU will tailor-make a campus visit for Secondary 4 and Secondary 5 students of The Hong Kong Academy for Gifted Education on 23 April 2019. It aims to let students have a better understanding of the salient features of our 4-year undergraduate curriculum and the programmes offered by the Department of Biomedical Engineering and Department of Health Technology and Informatics. Students will also have a chance to visit our laboratories where demonstrations will be made.
