

HSBC Future Skills Development Project: Future Skills and Career School Talk (Primary) (APPT1001)

Introduction	<p>In this talk, the instructor(s) will share with participants in an interactive approach the implications of technological development on future career choices and skill acquisition. The top 10 skills for future employment will also be covered so that participants will have more comprehensive consideration in their career and life planning.</p>							
Programme Type/Level	Talk / Introductory							
Instructor	<p>Tutors of The HSBC Future Skills Development Project Sponsored by the HSBC and organised by the HKFYG, the HSBC Future Skills Development Project aims to provide education and training to re-skill young people, giving them the tools necessary for them to be creative, innovative and original. These skills, which involve both theoretical and practical aspects of knowledge, also include financial literacy, enhanced communication and sound analytical interpretations.</p> <p>For more details on the Project, please refer to the website https://www.youtube.com/watch?v=htYPJmNZF_U or search “Highlight Video of The HKFYG X HSBC Future Skills Development Project” on YouTube.</p>
