Forthcoming Student Programmes and Events in June to August 2020 Programmes with Screening or First-come-first-served Programmes

Programmes with Screening:

There are different screening methods for these programmes, for example, online screening questions, written tests or other screening methods.

- Student members are selected based on the performance in the screening. For more information, please refer to the programmes info.
- If there is a time clash between the applied programmes and other programmes to offer, we will consider if the student will still be accepted.
- Students should avoid applying programmes with time clash.
- The decision of the HKAGE on the result of selection should be final.

First-come-first-served Programmes:

- The capacity of this type of programmes is limited and are on a first-come-first-served basis.

- Application can Only be submitted once. Once it is submitted, the priority and the programme selection cannot be changed.
- If a student member withdraws from a programme before the application deadline, the choice priority will remain unchanged.
