Dear Principal,

School Nomination 2020/21

It is my great pleasure to welcome you to the programmes and services offered by The Hong Kong Academy for Gifted Education (HKAGE).

The HKAGE is the only government subvented organisation offering free, off-school gifted education programmes to students aged 10-18 in Hong Kong. With diverse enrichment programmes, in depth advanced learning opportunities and personalised learning in the form of project and research, we are dedicated to facilitating our student members to develop their gifted potential and excel in their talented areas. We also treasure the partnership with schools and teachers. Together we can achieve our ultimate goal of nurturing our gifted generation for the well-being of their good selves and the betterment of our community.

I would like to take this opportunity to cordially invite your school to nominate your gifted students to the HKAGE. Details of the nomination procedure are enclosed for your easy reference. I look forward to meeting your students soon in our Academy and working with you in the development of gifted education in Hong Kong.

Yours faithfully,

Prof Ng Tai Kai
