

2021/22 Nomination Scheme

HKAGE Online Learning Programmes for Screening

Introduction

Online Learning Programmes for Screening is an enrichment course for the gifted. It aims to enrich students' knowledge and broaden their horizons in various areas. This programme also provides self-learning elements in order to facilitate students' future learning after completion of the programme.

The areas involved in ALL Online Learning Programmes for Screening are as follows:

[Please click here to view the course outlines of primary programmes](#)

[Please click here to view the course outlines of secondary programmes](#)

Each level of study consists of reading texts, graphics, animations, videos, reference links, quizzes and **Final Assessment**.

(You have to pass the Final Assessment in order to complete the online programme)

Programme Type / Level

Introductory Online Learning Programme in Chinese, English, Mathematics, Science, Humanities (Only Primary Course is offered in Humanities)

Target Participants

- Students of aged 10-18 by the time of admission in Jun 2022 are eligible for applying for the Online Screening Programmes.
- Originally, each student can only apply for the HKAGE Online Learning Programmes for Screening once either via school or self-nomination during primary school study and twice during secondary school study but this restriction will be lifted from the 2021/22 school year.
- Each school can nominate up to 50 students per year via School nomination. Application of Self Nomination is not counted.
- Students who are under the age of 10 in Jun 2022 may also apply for the Online Screening Programmes. However, these under aged students who have passed the Online Screening Programme and nomination screening will receive tentative offers. Their HKAGE membership will only be activated in the following month after they have reached the age of 10.
- Existing HKAGE full or preliminary members shall not apply for the Online Screening Programmes.
