## Introduction

 Do you want to organize a talk with other HKAGE members?

 Do you want to share your thoughts and voice your feelings to parents of gifted students?

“The Voice of Gifted Learners” is a valuable platform for you as a gifted student to work with other HKAGE members in a small team and deliver a talk to parents of gifted students. This project spans 2 months with approximately 5 meetings, allows student organizers to experience organizing a talk from scratch and culminate the achievements in October. In the talk, student organizers will be the speakers and facilitators.
