

Peer Support Group

(SG/002)

Introduction

This Peer Support Group aims to gather student members who are interested in STEM and Robotics programmes.

This time, we have invited two student speakers who participated in STEM and Robotics programmes to share their experiences and insights.

Kwok Long Fung Louis will share his experience in intensive robotics programmes and how his mentor has supported to him in Robotics.

Tang Yik Seng Tungsten will share his insights on the positive implication of STEM to modern society.

You not only can meet our two student speakers in this activity, you may also be the next speaker in our coming peer support group meetings! Join now!
